Red flags (do not go live if any apply)

■ Refuse or delay go-live if:

- Academy refuses to sign DPA or MSA
- No valid insurance evidence
- No DBS evidence for any coach who will have player access
- No Designated Safeguarding Lead named
- Any previous safeguarding conviction
- Dispute over data ownership clauses
- Request for bulk parent data export without clear lawful basis

Escalate any of these to the Director immediately. When in doubt, do not proceed.
